

LACSON

GENEALOGY QUESTIONNAIRE

UNDERSTANDING ONESELF STARTS WITH KNOWING ONE'S ROOTS.

In the preparation for the Lacson family reunion scheduled tentatively on January 3-4, 2004, we will be most grateful for your earnest efforts to supply as much information as you can about your own family tree. This information will help us piece together and complete the family tree of all the Lacsons. The form below can serve only as a guide for the information needed to form and update our family tree.

Please feel free to add other relevant information of descendants outside the formal bonds of marriage.

This form may be reproduced and distributed to those who would be interested to add their own recollections of information on the Lacson family tree.

If your children have their own family, please let them fill another questionnaire. Thank you.
